

Benefits

1. a stable power transmission over a wide temperature range
2. long-lasting protection from corrosion
3. optimum stability against aging

Product Description

BIZOL Pro Central Hydraulic Fluid+ p90 (CHF) is formulated with highly refined HC-Synthetic base oils and high quality additives. It offers a very good thermal stability and aging resistance as well as optimum foaming properties. In addition to its excellent high and low-temperature behavior from -40 °C up to +130 °C **BIZOL Pro Central Hydraulic Fluid+ p90 (CHF)** offers a high amount of corrosion protection components as well as maximum wear protection.
